**124 x TOP 100 National in 2018**

An incredible year for this father and son loft ...

Kurt & Raf are total players – that is to say that they play every week the whole team – racing cocks and hens. They flew 5600 km in 10 races spread over 12 weeks – 10 weeks racing, 2 weeks rest – the national season.

Records are to be beaten, and the old record was 65 x top 100 – now Kurt & Raf almost doubled this in a possibly unbeatable record.
