

Created by Steve Van Overstraeten

Marcel Caro will win 1st nat ace pigeon KBDB Long Distance 2008 - To win this ace pigeon title you need to have the best coefficient over 3 national long distance races in Belgium. Belgium is divided into zones. To calculate your best coefficient you can use your best coefficient in the zone or on national level. Marcel Caro would have won either way and his pigeon also wins a 4th race ! Congratulations Marcel Caro & Sons !

### Beste fondduif België op basis van zonale uitslagen

Op basis van Zonale uitslag Orange , Montelimar, Cahors Prijs per tental, Souillac top 100, Montauban top 150, Brive, Limoges top 250
